This catalogue is produced by Malò S.p.a. All riproduction in whole, or in part is forbidden without our written permission.

L'azienda nasce nel 1947 nel piccolo magazzino seminterrato in Via Frappolli a Milano.

Nel 1952 Aldo Malò, rilevata la società, decide di concentrarsi sul mercato italiano, del quale è stato pioniere, portando l'azienda, negli anni, a costruire una solida presenza sul territorio, rivelatasi un enorme vantaggio competitivo.
La lunga strada intrapresa porta, nel 1999, Malò a trasformarsi in S.p.A. e ad espandersi nei mercati esteri.

Malò ha sempre indirizzato i suoi sforzi al miglioramento qualitativo e all'ampliamento della gamma dei suoi prodotti, facendo di tutto per soddisfare le esigenze dei propri clienti.

La soddisfazione del cliente per Malò è molto più che offrire una gamma di prodotto completa e d'alta qualità.
Significa anche disporre i magazzini in maniera strategica sul territorio per assicurare una distribuzione capillare.
Significa avvalersi della competenza degli oltre 100 operatori della Sede Centrale e della rete vendita, per fornire un'assistenza pre e post vendita continua.

The company started in 1947 in the basement of the small warehouse located in Via Frappolli in Milan.

In 1952 Mr. Malò took over the firm concentrating on the development of the Italian market and building a solid presence over the territory, revealing itself to be an enormous competitive advantage.
The long undertaking journey brought Malò in 1999 to turn from Ltd. to a Joint-Stock and expand towards foreign countries.

Since the very beginning Malò's strategy has always been focused on a constant improvement to grant our customers quality products and services.

Customer satisfaction for Malò is much more than offering a wide range of high quality Products.
It's also providing strategically located deposits which enable to cover all the territory and to quickly despatch more than 30 milion of pieces per year.
It means offering a service, which gives a big support
and a suitable pre and post sales assistance,
granted by over a 100 people members of our team.
